Rural on 17.99 Acres

Jenwil Estate, Rural Beaver County, AB

Nestled in Jenwil Estates, this nearly 18 acre property is an excellent opportunity to build your dream home or have a private country retreat. Only a 15 minute drive to Tofield and 30 to Sherwood Park or Edmonton. The mobile home is currently occupied. It has power and is hooked up to a cistern and septic system. It is heated with oil. The large workshop is flooded with natural light and attaches to an oversized garage. The garage door could be replaced with a wider, taller door to accommodate an rv or second vehicle. There are 3 additional outbuildings on the property and a greenhouse. You'll find an apple tree, pear tree, and a plum tree in the yard. Varying elevations make for interesting topography and landscaping scope. The ridge is ideal for building a hillside home with a walkout basement. Power has been trenched to the site so there are no unsightly power lines. The red outline on the Google Earth map is an approximation of the property lines and cannot be guaranteed.
